

WHHO WOODLAND HILLS HOMEOWNERS ORGANIZATION

Who We Are

WHHO was founded in 1984 to preserve and protect the quality of life and the rights of homeowners in Woodland Hills and the surrounding area.

What We Do

Over the past 20 years, WHHO has had notable success in maintaining the value and character of our community by carefully monitoring building codes and permit requests.

WHHO has been instrumental in obtaining legislation preserving the single-family neighborhoods and works closely with the City Attorney to assure that violators are charged and prosecuted for ignoring Ordinances.

WHHO was instrumental in the acquisitions that provide access to Topanga State Park for the Valley and has been the leader in environmental preservation in the community.

WHHO has been the watchdog in insuring Warner Center developers maintain the ambiance, high quality and the balance between business and residential areas.

WHHO has led the way to ensure protection of neighborhoods threatened by over-development both in the hillside and flat portions of our city.

WHHO continues to enhance Ventura Boulevard and maintain its local business flavor.

WHHO works to keep urban blight out of our neighborhoods by removing graffiti and beautifying overgrown, undeveloped areas.

WHHO works with our elected representatives to protect homeowner interests and to provide a sounding board for interaction between governmental officials and the community.

WHHO supports local businesses through our membership in the Woodland Hills Chamber of Commerce.

Why Should You Join?

Larger membership increases our voice and impact in the corridors of Government.

All members receive our monthly newsletter announcing actions and hearings affecting Woodland Hills homeowners and upcoming speakers and the programs we present.

Our general meetings are open to all. Membership and participation ensure quality speakers and programs.
